

Check in Requirements

With the ever-changing situation and changing procedures, we ask that you **arrive at the terminal at least 1 hour before your scheduled flight departure time**. This is to allow adequate time to check in, process your baggage, and verify your documentation.

Flights From Yellowknife

Masks

Masks are required to be worn at all times in terminal buildings and on flights for passengers 2 years and older. The mask must be snug and cover your mouth and nose. [CLICK HERE](#) for more information on proper masks and how to wear them effectively.

Vaccination

All passengers aged 12 years and 4 months and older, departing Yellowknife, must be double vaccinated against COVID-19 or partially vaccinated with proof of a negative COVID-19 molecular test result within 72 hours of departure. Unvaccinated individuals will not be permitted to travel out of Yellowknife unless they show proof that an official exemption has been provided.

Documents required

At check in, travelling passengers will need to show a valid piece of photo identification as well as proof of vaccination. If passengers are not fully vaccinated, proof of a negative COVID-19 molecular test, taken within 72 hour of departure time, will be required.

Proof of vaccination is accepted in paper copy or electronically. It must include the name of the person who received the test, the name of the government agency administering the test, the date of each vaccination received as well as the type of vaccination received.

Passengers are responsible for ensuring they have all the proper documents before checking in and boarding as they may be required to show documentation at any stage of travel. North Wright reserves the right to refuse passengers who do not show the proper documentation.

Fully Vaccinated (2 vaccinations or more)

At check in, passengers will need to show a valid piece of photo identification and proof of both vaccinations.

Partially vaccinated (1 vaccination or 2 vaccinations where the second was received within 14 days of travel)

At check in, passengers will need to show a valid piece of photo identification and proof of a valid negative COVID-19 molecular test within 72 hour of travel time is required. A negative test is required in addition to proof of vaccination status before boarding.

Getting a COVID-19 test

Passengers departing from Yellowknife, with only one vaccine, will need to show a negative COVID-19 molecular test within 72 hours of departure time.

To get a COVID test for travel in Yellowknife please visit [62 Degrees North](#) or [Advanced Medical Solutions](#). For more information regarding COVID and testing, passengers can call 8-1-1 or visit <https://www.nthssa.ca/en/covid-testing>.

Unvaccinated and Exemptions

North Wright Airways is not accepting passengers travelling while unvaccinated out of Yellowknife unless they show proof of official exemption. Passengers under the age of 12 years and 4 months, do not require a COVID-19 test if unvaccinated. [Click here](#) for more information.

Flights From Remote Airports

Masks

Masks are required to be worn at all times in terminal buildings and on flights, for all passengers 2 years of age and older. The mask must be snug and cover your mouth and nose. [CLICK HERE](#) for more information.

Vaccination

Passengers departing from remote communities within the Northwest Territories, are exempt from some COVID-19 vaccination and testing requirements. While vaccinations are highly recommended, passengers who are unvaccinated are still permitted to travel between remote airports. Please note, if any travel includes a departure from Yellowknife, refer to “From Yellowknife” above.

Documents required

At check in, travelling passengers will need to show a valid piece of photo identification as well as proof of vaccination, if applicable.

Proof of vaccination is accepted in paper copies or electronically. It must include the name of the person who received the test, the name of the government agency administering the test, the date of each vaccination received as well as the type of vaccination received.

Passengers are responsible for ensuring they have all the proper documents before checking in and boarding as they may be required to show documentation at any stage in their travels. North Wright reserves the right to refuse passengers who do not show the proper documentation.

Denied Boarding

North Wright reserves the right to deny boarding to passengers who:

- Have a fever and cough; or a fever and difficulty breathing; and do not have a medical certificate certifying these symptoms are not related to COVID-19
- Have, or have any reason to suspect they have, COVID-19
- Have not been permitted to board an aircraft in the previous 14 days for medical reasons related to COVID-19
- Are subject to a mandatory quarantine order as a result of having recently travelled or because of a local or provincial health order that prohibits them from travelling.

If a passenger knowingly provides any false or misleading information about their health, they may be subject to a monetary penalty of up to \$5,000.

North Wright reserves the right to deny boarding to any passengers without proper documentations for the flight as well as improper use of face masks.
