

Commercial Operations Coordinator

North-Wright Airways is looking for full-time, permanent Commercial Operations Coordinator!

The North is one of the last places in Canada where you can experience true wilderness. We are located in Norman Wells, 145 km (90 miles) South of the Arctic Circle in the heart of the Sahtu Region. North-Wright Airways is the Sahtu Region's premier air service. Join North-Wright, fly, and live in some of Canada's most beautiful landscapes while making great connections that last a lifetime!

Job Summary:

Providing a high degree of customer service, the Commercial Operations Coordinator supports a variety of different departments within the company to ensure timely, safe, and efficient operation of the business. This position is responsible for monitoring flight progress, operational information, policy implementation (when required) and pilot time; as well as coordinating flight schedules, amongst other things.

Qualifications:

- +2 years aviation experience or equivalent education/experience.
- Good understanding of CARS and flight duty times.
- Ability to adapt to changes and work in a fast-paced environment.
- Must be willing to relocate to Norman Wells, NT.

Benefits:

- Extensive Employee Health, Dental, and Insurance Benefits
- Company-provided accommodations
- Monthly freight allowance
- Canadian North interline discount
- Discounts on Canada Good Parka/Bomber Jackets
- Travel discounts within the Sahtu Region

As a diverse and inclusive employer, we encourage all qualified and interested candidates to submit their resume to hr@north-wrightairways.com. Check out our website at <https://north-wrightairways.com/> and social media for more information!

While we sincerely appreciate all applications, only candidates selected for interview will be contacted. The successful candidate will be required to submit a Pre-Employment Drug and Alcohol Test.
