

Quality Assurance Analyst

North-Wright Airways is looking for full-time, permanent Quality Assurance Analyst!

The North is one of the last places in Canada where you can experience true wilderness. We are located in Norman Wells, 145 km (90 miles) South of the Arctic Circle in the heart of the Sahtu Region. North-Wright Airways is the Sahtu Region's premier air service. Join North-Wright, fly, and live in some of Canada's most beautiful landscapes while making great connections that last a lifetime!

Job Summary:

The Quality Assurance Analyst supports the Maintenance department in ensuring compliance of regulatory standards and recommended practices of both the Company and Transport Canada. This position is responsible for monitoring, tracking, and controlling deficiencies and maintenance activities and reporting on the data as required.

Qualifications:

- Minimum requirement of High School Diploma or GED.
- Proficiency with Microsoft Programs, Google, and Adobe applications.
- Experience working with aircraft maintenance documents (logbooks, work orders, etc) is considered an asset.
- Familiarity with Winair is considered an asset.
- Must be willing to relocate to Norman Wells, NT.

Benefits:

- Extensive Employee Health, Dental, and Insurance Benefits
- Company-provided accommodations
- Monthly freight allowance
- Canadian North interline discount
- Discounts on Canada Good Parka/Bomber Jackets
- Travel discounts within the Sahtu Region

As a diverse and inclusive employer, we encourage all qualified and interested candidates to submit their resume to hr@north-wrightairways.com. Check out our website at <https://north-wrightairways.com/> and social media for more information!

While we sincerely appreciate all applications, only candidates selected for interview will be contacted. The successful candidate will be required to submit a Pre-Employment Drug and Alcohol Test.
