

Twin Otter Captain (Seasonal Float)

North-Wright Airways is looking for a seasonal Twin Otter Captain to add to the team!

The North is one of the last places in Canada where you can experience true wilderness. We are located in Norman Wells, 145 km (90 miles) South of the Arctic Circle in the heart of the Sahtu Region. North-Wright Airways is the Sahtu Region's premier air service. Join North-Wright, fly, and live in some of Canada's most beautiful landscapes while making great connections that last a lifetime!

Job Summary:

The Twin Otter Captain supports the charter flight operations in a manner that meets and exceeds customer service expectations. This position is responsible for the safe, efficient, and timely operations of the aircraft and first officer in accordance with all applicable regulations, customer requirements, and company expectations.

Qualifications:

- Valid Canadian Airline Transport Pilot Licence (ATPL)
- Total Time: 5,000 hrs
- Multi-Engine: 2,500 hrs
- Valid Transport Canada Group 1 Instrument Rating
- Valid Float Rating
- Valid Class 1 Medical Certificate
- Valid passport and any required visas or travel documents
- +2 years float experience is required
- Must be legally entitled to work in Canada

Benefits:

- Extensive Employee Health, Dental, and Insurance Benefits
- Company-provided accommodations
- Monthly freight allowance
- Canadian North interline discount
- Discounts on Canada Goose Parka/Bomber Jackets

Compensation: Commensurate with experience.

Season: June 1 to October 1, 2023

As a diverse and inclusive employer, we encourage all qualified and interested candidates to submit their resume to hr@north-wrightairways.com. Check out our website at <https://north-wrightairways.com/> and social media for more information!

While we sincerely appreciate all applications, only candidates selected for interview will be contacted. The successful candidate will be required to submit a Pre-Employment Drug and Alcohol Test.
